

Exporting to EndNote® or EndNote Web from ISI Web of Knowledge [WOK]

1. THE SCOPE OF THIS GUIDE

Exporting from online databases into your EndNote or EndNote Web Library is a key feature of the program, and a quick and efficient way to build your references. This guide takes you through exporting from **ISI World of Knowledge** which provides access to the following databases:

- Arts and Humanities Citation Index;
- Science Citation Index;
- Social Science Citations Index;
- ISI Proceedings.

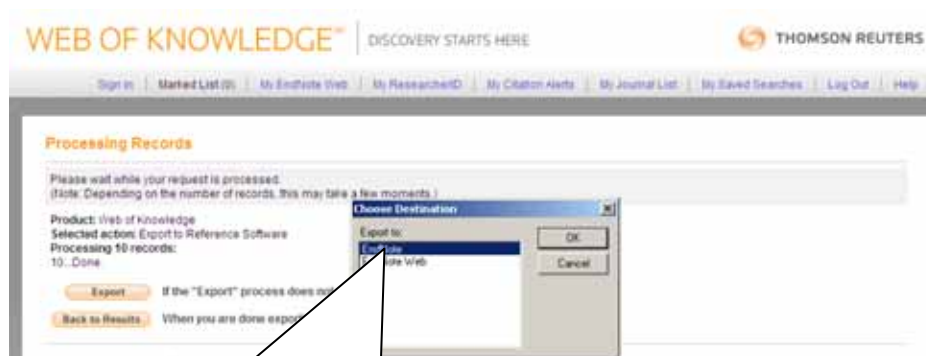

2. EXPORTING FROM ISI TO ENDNOTE / ENDNOTE WEB

After you have completed your search

Mark the references you want to Export by clicking in the **check boxes** on the left hand side

Click on the Endnote or EndNote Web icon

You will be prompt again to choose a destination and click OK

EndNote will start automatically if it is not already open, and the records you have exported will appear as unfiled, imported references.

EndNote Web

If you do not have EndNote Web open it will ask you to log in at this point.

The EndNote Web logo will appear under your chosen records.

Records you have exported will appear as unfiled references.
