

Audio script for Library Podcast

How do I set up a personal Athens account?

You will need to have an Athens password sheet handy; you can download an electronic version from the myBU Library tab. Log onto a computer while you are on campus and visit the Athens website www.athens.ac.uk. Click on the '**Self Registration**' link, logging in with the details given on your password sheet. Fill in the brief online registration form (you only need to fill in part one).

Once you have submitted your online Athens registration form, you'll get a confirmation email. Please keep your Athens details safe and do not share it with anyone else because by owning an account you're agreeing to abide by University Rules and Eduserv Athens terms and conditions.

If you're doing a placement year, or if you're studying part time and rarely come to the campus, or, if you have any further questions about Athens, email the Athens Help Team at athenshelp@bournemouth.ac.uk or call the Library Information Line on 01202 965959.
