

### **Making notes**

- Have you got sufficient notes to write a 4-5 page answer on this topic in the exam?
- How will you get the notes?
- What sources are you using to make your notes?
- Which sources are you finding the most useful and why?
- How will you structure your notes?
- Do your notes cover the key points?
- Have you got your definitions of specific terms?
- Are your terms supported by evidence and if so have you sufficient detail to back up your arguments?
- Are your notes set out in a logical way?
- How will you use these notes for revision?
- What strategy will you adopt to help you remember key facts and evidence?
