

P2. Partners should ensure that the content of online information produced by the Partner promoting BU and/or BU courses is accurate and consistent

- Partners who provide online information regarding programmes delivered under any partnership arrangement are responsible for ensuring that all information relating to those programmes (including entry requirements where applicable) is accurate and consistent with information published by BU.

All Partners should utilise relevant information sources (e.g. BU website where appropriate, course documentation, programme specification) to ensure that online content is accurate and up-to-date. Partners are requested to contact the relevant BU Marketing & Communication team for support with in the production of online information regarding BU.

- BU will undertake audits of all online material See BU2A/B for details
