

P5. Partners are requested to provide up to date literature for BU Undergraduate Open Days and send representation to the events at your discretion

BU holds a number of Undergraduate Open Days for prospective students. Details can be found at www.bournemouth.ac.uk/opendays

How partners are represented

We have an exhibition where all areas of BU are represented. Partners are requested to provide any relevant literature for distribution to prospective students.

Please post up to date literature to the following address 2 weeks in advance of the Open Days. A member of the Marketing and Communications team will be in touch in advance of the deadline to request the literature and to confirm the deadlines.

Please send to:

UK Student Recruitment Events Officer (Open Days)

Studland House | 12 Christchurch Road | Bournemouth | BH1 3NA

E mail: OpenDays@bournemouth.ac.uk

Should you wish to attend the Open Days to liaise directly with prospective students, please contact the Events Officer (as above) as early as possible to make the arrangements.
