

BU Graduation ceremony schedule – Faculty of Science & Technology

BU reserve the right to amend the start time of a Graduation ceremony if required to meet minimum or maximum capacity constraints. We will notify you by email of any changes to the start time of your ceremony if applicable.

Students who are granted an award by a BU Assessment Board by **29 September 2023** are eligible to attend graduation in November 2023. Eligible students will be emailed an invitation in September. If you have any questions, please get in touch with [AskBU](#). If your award is confirmed later than 29 September, you will be invited to the 2024 ceremonies instead.
