

Questions to ask about....

### **Working in groups**

- Describe what is happening: be very honest.
- How would a neutral friend describe what is happening?
- What is going well in the group? What is happening to make this go well?
- If the group was working as well as you would like, what would you yourself be doing? What would you be thinking and feeling?
- What have you tried already? With what result?
- What else could you try? What else?
- What one thing that you could do would make the biggest difference?
