

BU Careers & Employability Service

Accessing MyCareerHub as a BU Graduate

Once your course ends, you can continue to access the support provided by the Careers & Employability Service including MyCareerHub, to access appointments with the Careers Adviser team, job vacancies, CV and interview resources and much more, for up to 3 years from when your course ends.

However, in order to continue to access the MyCareerHub platform as a BU leaver, you will now have to create ***two graduate accounts**, one for MyCareerHub and one for Abintegro as follows:

Graduate Account - Abintegro

To continue accessing:

- [Careers resources](#)
- [Tools: CV and interview prep tools](#)

you need to create an ***Abintegro graduate account** at <https://careersbu.careercentre.me/graduate/default/Bournemouth-University>.

If you have already created an Abintegro Graduate Account, please enter your account details via the 'Login' option. If not, click on the 'Sign Up' option to create a new Abintegro Graduate account.

***If you experience any issues with creating an Abintegro Graduate Account, please call the BU IT Help desk on 01202 965515**

Graduate Account - MyCareerHub

To continue accessing:

- [The latest job vacancies](#)
- [Upcoming BU careers events](#)
- [And Careers Advisor appointments](#)

you need to create a **MyCareerHub graduate account** and update your MyCareerHub password as your BU password is no longer valid and needs to be reset.

You can create a new password by clicking on the 'Graduate/Leaver option' at <https://mycareerhub.bournemouth.ac.uk/students/login> and clicking on the 'Reset Password' link. You will then be *emailed the password reset instructions to your student email account.

Once you have created your new password, you can click on the **three links above** and select the 'Graduate/Leaver' option followed by your BU username and new password.

Please check your university and personal email accounts for the password reset instructions. If you don't receive them, please check your junk folders. If you still have not received any reset password instructions then please email careers@bournemouth.ac.uk for assistance.
