

## Bank Transfer Information

Our standard method of payment is credit card, this ensures that we minimise the costs that you incur. We do however allow international students to pay by their initial payment of deposit and administration fee by bank transfer. This must be for the full payment only.

If you would like to use this payment option please pay directly into the University's bank account using the following details:

***Please remember to use your student ID {ID1}+ACC as a reference on the transaction so that the money can be located.***

### University Bank Details
