BU SCHOLARSHIPS POLICY 2023/24: UNDERGRADUATE

1. Scope and Purpose

1.1 Bournemouth University (BU) offers a range of undergraduate taught scholarships in order to reward achievement. Details of the scholarship benefits, eligibility to apply and deadline for applications are listed in Section 6 of this document.

1.2 The overarching purpose of offering scholarships is to attract talented students to BU by lowering or removing the financial barrier to study. Scholarships can be broken into three broad types:

a) **Recognising Achievement**: To recognise academic achievement or other talents (e.g. sport, music) and encourage students to continue to make a strong contribution in these areas to encourage high calibre applicants to BU.

b) **Recognising Partnership:** To recognise a special relationship with partner academic institutions and (sponsor) business organisations.

c) **Tactical Recruitment:**

- To invite applications from new markets by using scholarships as part of an integrated campaign to raise BU's profile
- To incentivise applications to courses that need to recruit more students, and would benefit from a raised profile
- To reduce the financial barrier for those who would otherwise be unable to take up a place.

1.3 The criteria for eligibility for each Scholarship are approved by Bournemouth University's senior leadership team. The Scholarships Implementation Group (SIG), on behalf of the senior leadership team, oversees the implementation and administration of all University Scholarships.

1.4 Scholarships are awarded based on merit as defined within each scholarship category and will not be means tested or otherwise influenced by any other award/grant held by the scholarship applicant.

1.5 If an applicant is not successful in obtaining the scholarship award(s) they have applied for, an alternative scholarship offer can be recommended as appropriate by the relevant awarding committee or BU team, e.g. International Marketing & Student Recruitment Team (IMSRT).

1.6 Scholarship awards can be deferred within an academic year i.e., from September to January but not to the following academic year.

1.7 Eligibility criteria and exclusions apply to each scholarship category and are subject to review. Should SIG identify the need for changes to the criteria or terms and conditions of any scholarship, a proposal for the change with rationale and impact identified is submitted to the Service Owner (SO) for approval and to the Fees Group for final ratification. Any change will be communicated to all enquirers and applicants giving due notice of such change and published information amended. Any changes will apply to the entire cohort in the relevant academic period.

1. Application process and eligibility

3.1 All awards specified in this policy are applicable to BU undergraduate taught (UG) students studying campus-based full-time or part-time structured programmes (see Appendix 7). Students studying post-registration, distance learning or part-time student-driven programmes or BU validated programmes at other institutions are not eligible. BU International College (BUINTCOL) applicants are eligible to apply for BU scholarships for their BU degree, excluding any preparatory programme, subject to meeting the relevant criteria for each individual award.

3.2 With the exception of the Partner Academic Partnership, and discretionary in-country awards students can only be in receipt of one academic scholarship. However, eligible students may receive a sports or music scholarship in addition to an academic scholarship. Eligibility criteria and exclusions for each category of scholarship are laid out in Section 6.

3.3 With the exception of the BU Sport and Music Scholarships, scholarships will normally be awarded for the first year of study at BU. Students studying part-time structured programmes will receive their scholarship over two- or three-years pro-rata. Students repeating units/years on an existing course or starting again as a first year on a new course will not be eligible.

3.4 All BU funded UG Scholarships represent a tuition fee discount/waiver, based on the published full fee amount with the exception of Music and Sport Scholarships..

3.5 A student will only be eligible to receive one academic award for the highest value unless they specifically request otherwise. If a student is unsuccessful, they may be recommended for other suitable awards, subject to funds remaining (normally at a lower value). The awarding Faculty then decides if an award will be offered in such cases.

3.6 All students enrolling to study in a particular year, including those students who have deferred their entry from the previous year, are eligible for the scholarship framework offered for the enrolment year only. Students who commenced and subsequently suspended their studies, having partial scholarship funding, will be eligible for the remainder of that award if they recommence studies with BU.

3.7 Academic Excellence Scholarships, Opportunity Scholarships and Partner Academic Scholarships are awarded automatically if the conditions are met by the applicant, without the need for a separate application process to be completed. All other scholarships require a separate application to be made.

3.8 The application process is set out on the BU website and completed application forms should be submitted electronically at www.bournemouth.ac.uk/scholarships. Alternative application formats are available on request, by contacting our Future Students Enquiry Team (01202 961916).

3.9 Consideration will be given to all eligible applications provided the application is received before the published deadline. Applications for scholarship received after the published deadlines will not normally be considered.

3.10 Students applying for an award which is automatically assessed and where additional evidence or self-identification is required must provide such evidence when requested in a timely manner. If a student believes they are eligible for an award and has not received confirmation of this by 30 October (September entrants) or 31 March (January entrants), they should contact AskBU (current students).

3.11 Students will typically be notified of the outcome for awards that require applications, within 20 working days of the published deadline. Due to the number of applications, it may only be possible to contact successful candidates.

3.12 Communication of changes to scholarship provision, eligibility criteria, amount or any other major or minor details will be made to any affected applicants or potentially eligible students. Applicants or affected potentially eligible students will be provided 30 days' notice of the change and their rights to appeal, as per BU's Student Financial Support Appeal Procedure.

4. Appeals

4.1 Unsuccessful applicants wishing to appeal should write to appeals@bournemouth.ac.uk within 10 working days of being notified of the outcome of their application stating clearly the grounds for appeal.

4.2 As per the Student Financial Support Appeal Procedure document. (https://www1.bournemouth.ac.uk/students/help-advice/important-information) appeals will only be considered where there is evidence that the process of decision making in respect of an application did not follow the prescribed procedures; or where pertinent new information is available which was not included in the original application and which materially affects the application. Appeals against the University's judgement of the merit of an applicant against the published criteria will not be accepted.

5. Payment of awards

5.1 With the exception of the Music and Sports Scholarships, all UG scholarships are paid via a reduction in tuition fees/full fee waiver of the published tuition fee, typically processed in advance of online enrolment and subject to students providing confirmation of actual grades at enrolment.

5.2 BU Music & Sports Scholarships: Depending on the scholarship, awards can consist of a range of financial awards, or the provision of tuition, coaching, equipment, or funding for competitions and travel expenses and additional support services (e.g. massage, lifestyle, chiropractic treatment etc).Scholarship payment is made subject to confirmation of enrolment and participation on a monthly basis, for the sports and music scholarship; this is reviewed and managed throughout the academic year based on engagement and maintaining levels.
