

Credibility Interview Preparation Checklist

Use this checklist to make sure you are fully prepared for your interview.

Before the Interview

- I have reviewed my CAS and understand my course details
- I can explain why I chose this course and university
- I know what topics/modules I'll study and how they relate to my goals
- I can talk about other universities or courses I considered
- I can describe my education background clearly, including any gaps
- I know my career plans and how this course helps me achieve them
- I understand who is funding my studies and can explain the financial documents I submitted
- I have practiced speaking English clearly and confidently
- I have practiced answering common interview questions

On the Day of the Interview

- I have checked the interview time and method (in person, phone, or video)
- I have a quiet space with a good internet or phone connection
- I have my CAS and financial documents with me (if allowed)
- I am dressed appropriately (especially for video interviews)
- I will speak clearly, stay calm, and answer honestly
- I will attend on time – I understand that missing the interview without a valid reason will result in a visa refusal
