Florence Nightingale Tour

Delegates are invited to join us for a tour to Hampshire to visit sites of significance to Florence Nightingale.

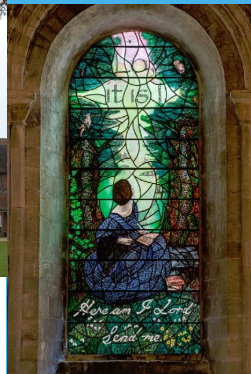

Our first stop will be Embley Park (above) where the Nightingale family lived and where Florence had her calling to be a nurse. We will be joined by a historian and expert on Florence Nightingale's life. While at Embley Park you will be provided with refreshments.

The tour will continue to St Margaret's of Antioch Church in West Wellow (above) where Florence Nightingale and her family are laid to rest.

Our final destination will be the market town of Romsey, where there will be time for lunch before a guided tour of Romsey Abbey (below).

Whilst visiting the Abbey you will have an opportunity to view 'The Calling' (above), a beautiful stained glass window dedicated to Florence Nightingale in 2022.

Throughout this tour delegates will be accompanied by members of the Local Organising Committee and by Student Volunteers.
