

International Summer School

29 July - 10 August 2019

Join us at a globally focused university located on the beautiful south coast of England. Strengthen your subject knowledge, improve your English language and experience student life in a safe, friendly and cosmopolitan environment.

Choose one of our specialist areas of study:

- **Managing & Leading Global Business**

Delivered by expert academics from our AACSB-accredited Business School.

- **Animation & Art**

Delivered at the National Centre for Computer Animation (NCCA), an internationally recognised Centre of Excellence.
