

Bournemouth
University

International Summer School

Animation & Art at the
National Centre for Computer Animation
29 July - 10 August 2019

www.bournemouth.ac.uk/busummerschool

What will you study

This summer we will be opening our university doors to students who wish to learn more about Animation and Art at the internationally recognised National Centre for Computer Animation (NCCA). We look forward to welcoming you to our campus and showing you the best of BU.

Our graduates have worked on films such as *Blade Runner 2049*, *Avengers: Infinity War*, *Solo: A Star Wars Story*, *Fantastic Beasts: The Crimes of Grindelwald* and *Dunkirk*. You will

get the opportunity to be taught by our academics in leading animation and art studios as well gaining experience in areas such as motion capture and visual effects.

Animation & Art Course

Academics from the University and NCCA will introduce you to the following topics:

- An overview to British culture & education
- Global talent – skills, competencies and behaviours required to work globally
- Computer animation and visual effects project briefing
- Motion capture lecture, studio and workshop
- Visual effects, Look Development lecture and compositing workshop
- Physics-based simulation and animation techniques
- Tutorial for post-production
- Project rendering and submission
- Visit to an animation studio in London
- English for academic and business purposes
- Studying and working in the UK.

What you can expect

- 6 hours of lessons or workshops each day (both subject-specific and general skills sessions)
- Study in a small class of no more than 20 students
- Social, sport and fun activities
- Organised trips to London, Stonehenge and the Jurassic Coast
- An educational visit to a British company
- Accommodation and meals included
- Use of relevant university facilities, including free Wi-Fi
- Free airport transfers.*

* Offered during specified time period on arrival day. If you are arriving outside this time, we are happy to arrange alternative transport with additional fees.

Making friends

Bournemouth is a very lively and cosmopolitan town, with lots of ways to enjoy yourself and relax away from your studies.

During the week we will organise activities to help you settle in and make new friends. You will have time to enjoy games on the beach, sightseeing trips to London and places of historical and cultural interest.

Every Friday night throughout the summer there is a free firework display over Bournemouth Pier which is an amazing spectacle!

Where you will stay

You will stay in Bournemouth University campus accommodation with a range of catering options provided. The accommodation also has its own kitchen which you are free to use if you would like to share national dishes with your new friends.

Broadband is available in every room and there is Wi-Fi throughout the university.

Why choose BU?

- Ranked in the top 200 young universities in the world according to the THE Young University Rankings 2018
- A top 10 "Best Creative Media & Entertainment Schools in the World" (Rookie Award 2018)
- Home to the only National Centre for Computer Animation in the UK
- We are the only Centre for Excellence in Media Practice in the UK, funded by Higher Education Funding Council
- Follow in the footsteps of our Oscar and BAFTA winning BU graduates, learning new skills in animation and art
- Explore the south of England's top tourist attractions and enjoy our 11km of sandy beaches, voted Best UK Beach by TripAdvisor.

Only two hours from central London by train

Bournemouth is a thriving town on the beautiful south coast of England. It's easy to find your way around and is less than two hours from London Heathrow Airport.

Recently awarded Trip Advisor's best UK beach, Bournemouth is home to a vibrant international community, great shopping, an array of watersports – and a Premier League football team. In the surrounding area, you'll find the UNESCO World Heritage Jurassic Coast and the breathtaking New Forest, which you could explore during your Summer School visit.
