Your home from home

- You may choose to live in hospital accommodation at your placement location, as you will experience the full 24-hour shift pattern, including weekend and night shifts.
- If you are studying some of our Healthcare courses, you will require accommodation with a 50-week tenancy. We have specific options available, although shorter (40-42 weeks options) could be selected and you opt for an additional Summer let.

You have three main options

- **Hospital accommodation** (arranged direct)
- **Halls of Residence** (booked through BU)
- **Shared houses** (booked through BU/LettingsBU)
- You may not be informed of your placement location until Summer, but Hospital accommodation can be simple & easy to arrange
