Secured Environments

BU is certified by the police as an organisation that shows that they have adopted six key principles for protecting themselves against crime

Some of the ways we provide a safe and secure environment:

- 24 hours a day, 365 days a year security team
- CCTV and other appropriate security systems
- A dedicated police officer patrolling campus in liaison with BU security personnel
- Buses that run past the last lecture finishing times
- Door entry cards/keys for accommodation
- Dedicated nightclub on Lansdowne Campus – The Old Fire Station – a safe place to go for a night out.
