Welcome!

**This is an
opportunity to
find out about the
Midwifery course
provided at BU**

What do midwives do?

- 
- A photograph of two midwives in a hospital setting. On the left, a woman with short red hair and glasses is seen in profile, wearing a blue uniform. On the right, a woman with dark hair and glasses is smiling, also wearing a blue uniform. In the background, there are hospital beds with blue curtains.
- Provide care for normal and complex childbirth
 - Offer evidence based information to women and families
 - Provide individualised support for women within their social world
 - Work in the community, birth centres and hospitals
 - Midwives work 24 hours a day, 365 days a year!

Midwifery at BU

Bournemouth
University
includes some
exciting
opportunities for
students
including...**

BSc (Hons) Midwifery at BU is fully accredited by UNICEF UK Baby Friendly initiative

Virtual reality learning environments

Virtual reality learning environments

Caseloading and Electives

- Caseloading
 - BU pioneered caseloading and it is now a national requirement
 - We offer a full caseload experience where the student works with a number of women throughout their childbirth journey
- Elective placement in Year 3
 - 10 weeks working in locations of choice
 - Up to 3 weeks observation away from BU practice sites anywhere in the world

Practice experiences

- Practice blocks
 - Community, intrapartum, postnatal, antenatal and clinic environments
 - Integrated care
 - Health and wellbeing visits, women's health, neonatal care
- Students work with midwifery supervisors in each practice location
- Midwives teach and assess students in practice
- Senior students care for a small caseload of women

Practice hours and shift work

- **Students are expected to work with their supervising midwife across all shifts**
 - Days and nights, including weekends and bank holidays
 - Lengths of shifts vary, for example 8 and 12 hour shifts
 - On-calls in the community including nights and weekends
 - 4 weeks night duty a year (minimum)
- **Students need flexible support for caring responsibilities**

Accommodation

You may consider:

- **Living in your home/accommodation near your practice site**

Or

- **Living in your home/accommodation/halls of residence and taking temporary accommodation near your practice site**
- www.bournemouth.ac.uk/accommodation-hss

Attend one of the accommodation presentations taking place today for more information.

The NHS may
reimburse travel or
accommodation
costs
