

If you are interested in studying at BU and your current institution has a partnership agreement in place with BU there may be some options for you to consider. [Find out more >>](#)

Bournemouth University International College
Bournemouth University International College provides quality preparation courses for international students looking to progress to Bournemouth University. Find out more >>
Student Exchange Opportunities
If your current institution has a Student Exchange Agreement or an agreement under the Erasmus+ scheme you may be able to study at BU for a semester, or for a year as part of a study exchange programme. Find out more >>
Recognition Partnerships
BU has a number of recognition arrangements in place with institutions from across the world. If you are considering BU for further study and your current institution has an agreement with us please speak to your programme team at your current institution in the first instance. Find out more >>
Please note: Recognition arrangements do not guarantee you entry to BU, so you will need to apply via the normal routes.
