

Welcome to our Postgraduate Open Evening

Talbot Campus

Our Postgraduate Open Evening gives you the perfect opportunity to find out about life as a postgraduate student at BU. You can discover more about your chosen course, meet academic staff and current students, ask questions and explore our campuses.

If you would like to visit Lansdowne Campus or view a postgraduate studio flat in our halls of residence (18:00–19:30), please speak to a Student Ambassador who will direct you to the free shuttle bus departure point.

<p>Check-in is open from 17:00 on the ground floor of the Fusion Building</p>	<p>Arrive at a time that suits you, check in and take the opportunity to chat with our current postgraduate students. We recommend arriving by 18:00 if you would like time to meet our academic staff during the evening. Collect a voucher at check-in to enjoy a tea, coffee or snack in the café on the Ground Floor of the Fusion Building at any point during the event.</p>	
<p>17:15-17:45</p>	<p>Postgraduate Research study talk Learn about postgraduate research at BU, including doctoral support, facilities and funding. A representative from the Doctoral College will also be available after the session.</p>	<p>F109, First Floor, Fusion Building</p>
<p>17:15-18:00</p>	<p>Postgraduate Taught study talk In this session, you'll have an introduction to BU, your accommodation options and the funding support available for taught Master's study.</p>	<p>Share Lecture Theatre, Ground Floor, Fusion Building</p>
<p>18:00-19:15</p>	<p>Meet and greet with our academic staff Speak with our academic staff to find out more about your course, what you'll study and what to expect as a BU postgraduate student.</p>	<p>See overleaf for where your faculty and course will be located</p>
<p>18:00-19:30</p>	<p>Campus Tours Take a look around our facilities, guided by a Student Ambassador, and visit our postgraduate study spaces and a studio flat in the Student Village accommodation, on Talbot Campus.</p>	<p>Campus tours depart from the ground floor of the Fusion Building.</p>

We hope you enjoy your visit.
