Bournemouth  
University

## *Pathways to Industry Insight Evenings*

Join industry experts from across Dorset for a series of free evening events to help you understand the pathways available to access your dream career.

Suitable for students in year 10 and above with an interest in media, digital marketing or healthcare. Family members are also welcome to attend.

5 & 7 July  
2022

5:30pm

Bournemouth  
University

Each event will consist of a series of talks from industry experts who will present their career journey to date and the different routes available in their sector. Talks will be followed by an optional networking exhibition with opportunities to speak to local employers, apprentices and university students.

**Spaces are limited  
so book now to secure  
your place.**

**New dates July 2022:**
