

Video submission

Student Ambassadors should be confident, articulate and passionate about BU and that's what we're looking for in your video. We won't be shortlisting you based on the standard of your editing, it's about what you say and how you say it!

What you'll be doing

We would like you to submit a short (**one - two minutes long**) video explaining 'why you chose your course, why you love it, and why you are applying for this specialism'.

Things to remember

- Introduce yourself, your course and year of study: "Hello, I'm Rebecca and I am a 2nd year Geography student"
- Plan what you want to say before you start filming
- Be honest and friendly
- Remember this is part of your job application so be positive and enthusiastic

Inspiration

We asked some of our team to create some videos to give you some inspiration. Their brief was to tell us why they chose their university and their course – check them out!
