<p><b>Transition Mentoring</b></p>	<p>Transition Mentoring Days in <b>Autumn, Spring and Summer Term</b></p> <p>A day on campus where students discover what it is like to be a university student. They will take part in academic challenges alongside their peers and current BU students, all designed to prepare and support their transition into Higher Education.</p>
<p><b>Campus Visits</b></p>	<p>We would be happy to welcome your students onto campus and have reserved space on <u>Wednesdays</u> in the <b>Autumn &amp; Spring</b> terms for this purpose. Please get in touch early to avoid disappointment.</p> <p>If you are unable to visit on a Wednesday just let us know and we will endeavour to arrange a visit on a day that is more convenient. We can accommodate campus visits Monday to Friday during the <b>Summer term</b>.</p> <p>There may also be funding available to support your transport costs – chat to us about how we can help.</p>

<b>Presentations &amp; Workshops</b>	<p><b>Year Round</b></p> <ul style="list-style-type: none"> <li>➤ Wellbeing &amp; Transitions into Higher Education</li> <li>➤ Understanding Student Finance</li> <li>➤ Applying to University (UCAS Process, choosing courses etc.)</li> <li>➤ Student Life Presentations</li> <li>➤ Careers Fair Presentations – Prepare for the Fair etc.</li> <li>➤ Personal Statement drop-ins, workshops and presentations</li> </ul>
<b>Careers Fairs/ Event Support</b>	<p>We are always happy to attend your careers fairs and progression days – don't forget that we can offer presentations and workshops on various topics at these events too.</p> <p>We are also happy to support with mock interviews, revision skills and other activities.</p>
<b>Subject Specific Activity</b>	<p><b>Academic and Current Student Course Overviews</b> – Academic staff or current students will provide an insight into their course/subject area including the range of placements that are available. They will share what we are looking for in applicants and the range of pathways and careers after graduating. We offer course overviews in a variety of subject areas.</p> <p><b>Robotics Workshops</b> – Particularly useful for students interested in careers in STEM, with an introductory presentation providing an overview of the range of pathways and opportunities available. We guide students through a number of robotics challenges; some of which are an introduction to programming and others that are more challenging for the experienced coders.</p>

<b>For Careers Advisers &amp; Teachers</b>
