

Logging in to e-resources from off-campus

In most cases when accessing e-resources from off-campus you are required to login via the BU E-resources log in page using your BU username and password (the same as you use to login to university computers or Brightspace)

Select the Off-Campus link from the library web pages – see example below

You will then be directed to the BU E-resources login page where you will need to enter your Bournemouth University username and password

There are a few resources which are not accessible from off-campus using your BU login. Usernames and passwords for these resources can be found here
