

Bournemouth
University

Let me show you why
Bournemouth is my
home from home

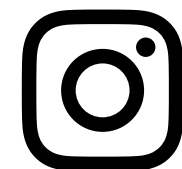

Hi I'm Funmi,

currently studying Doctor of Philosophy – Health & Social Sciences at Bournemouth University. I'd like to show you some of my favourite places in Bournemouth and places that remind me of being back home in Lagos, Nigeria.

Dreams are real
hold on to yours

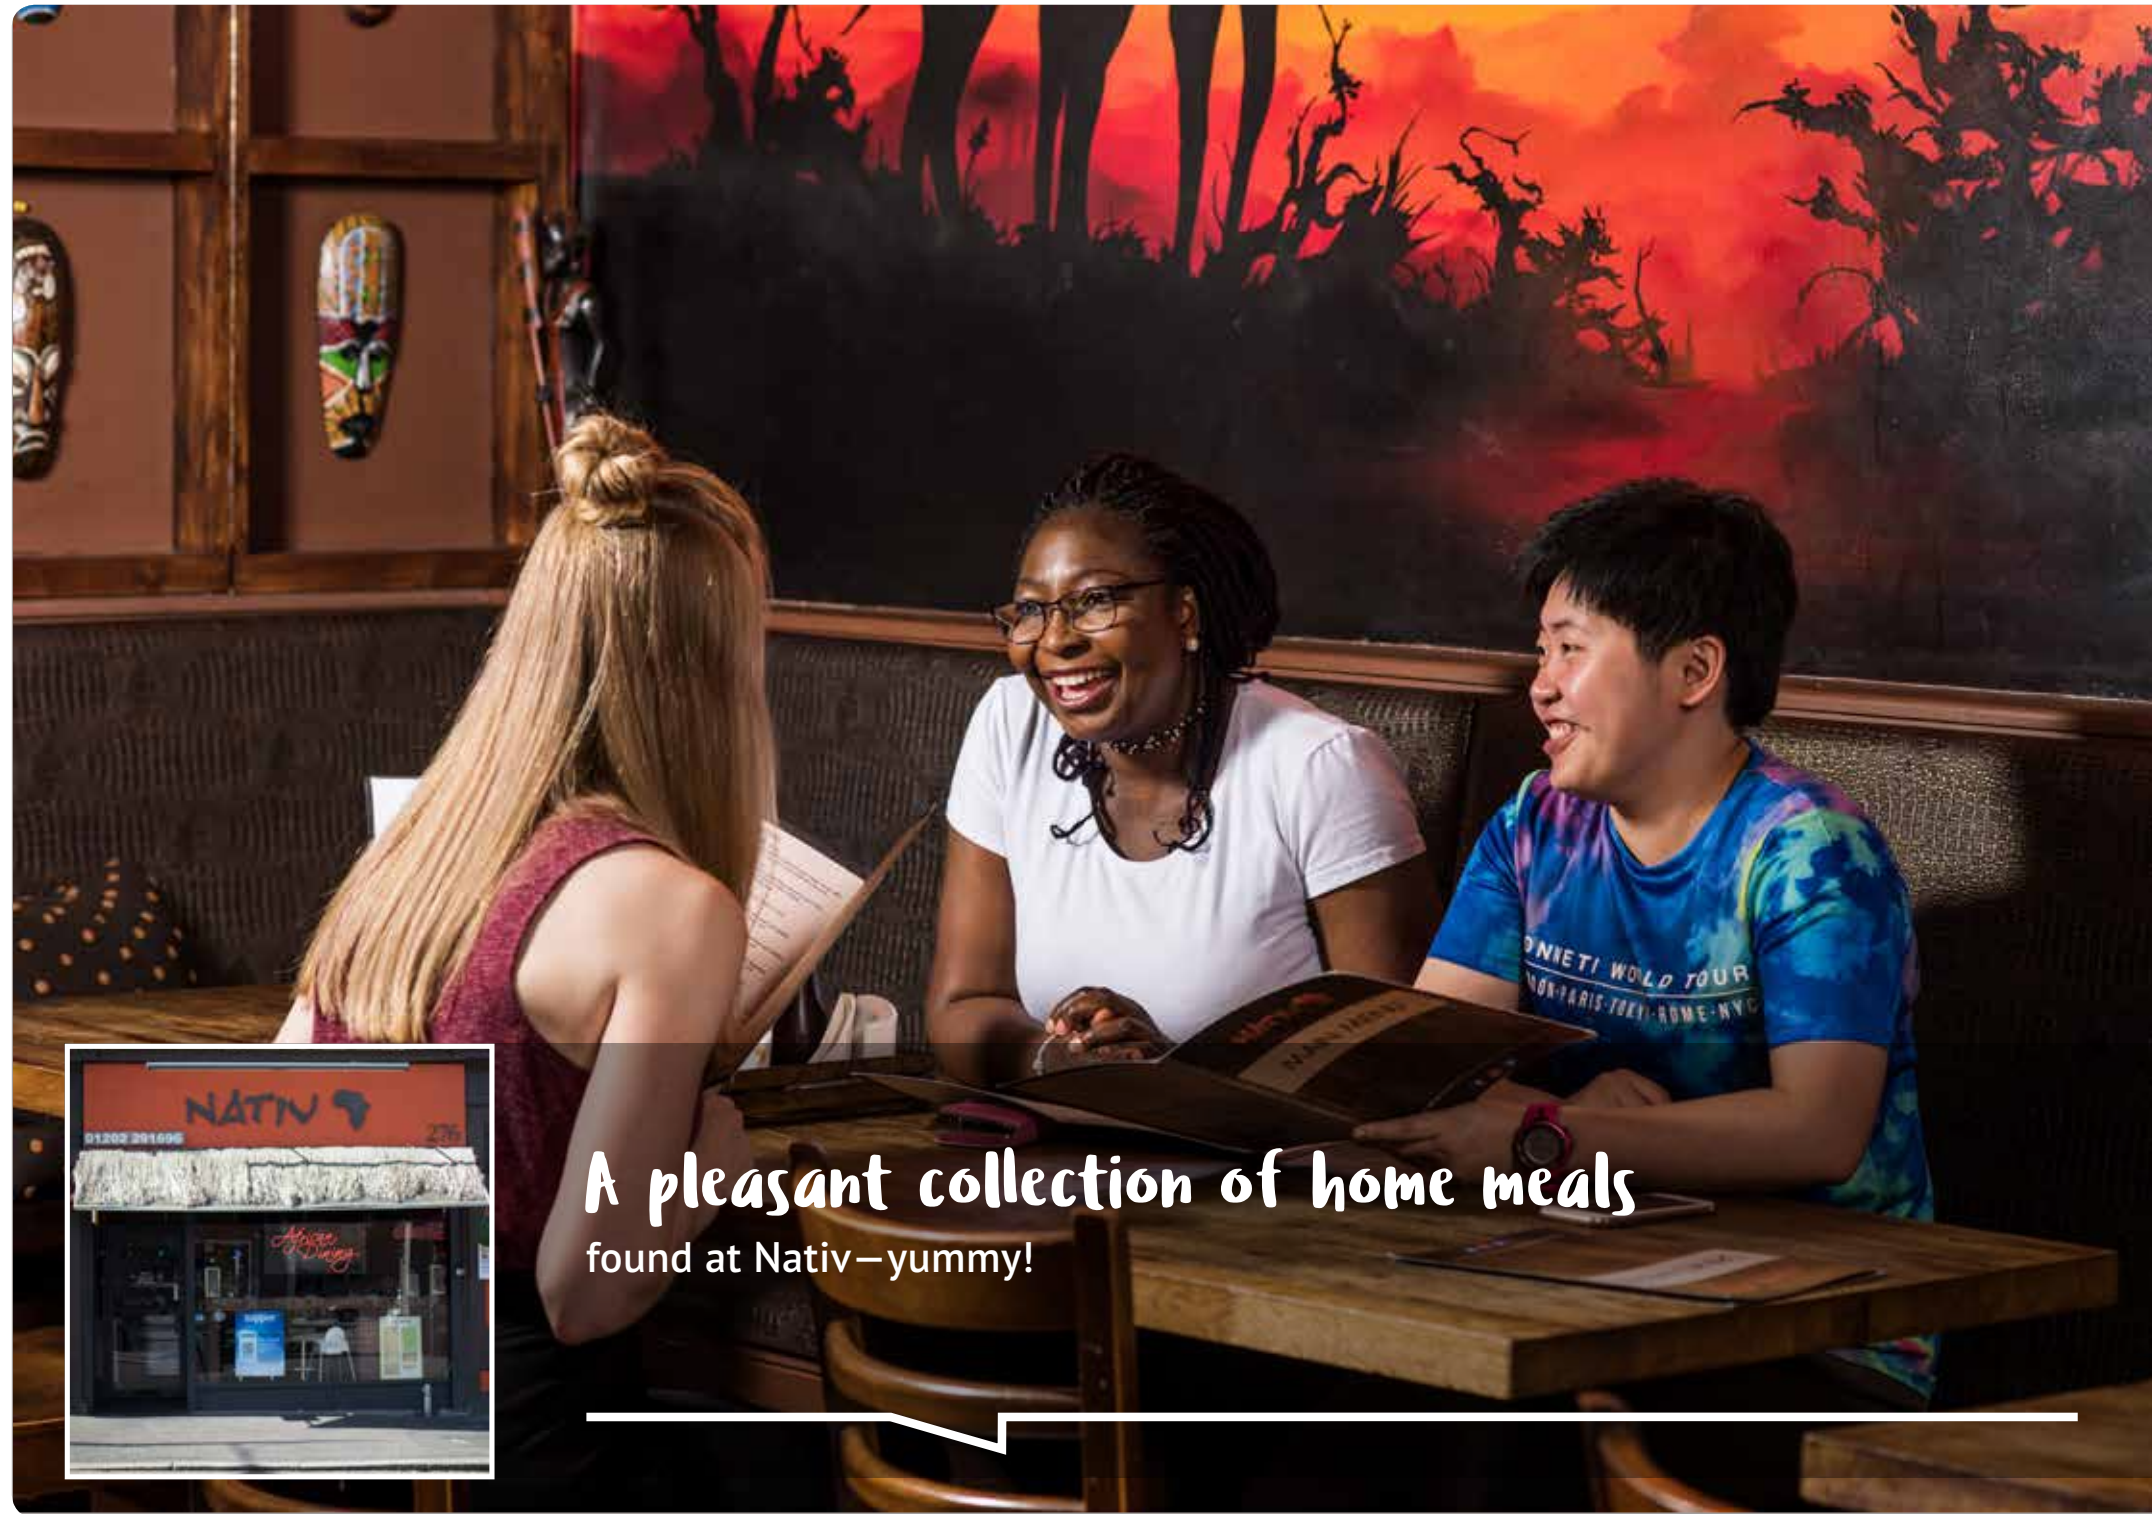

Show us why you love where you live for a chance of winning one of two £150 IKEA vouchers – see back page for details.

I derive fresh ideas from walking in the gardens.
You cannot go wrong with a good walk!

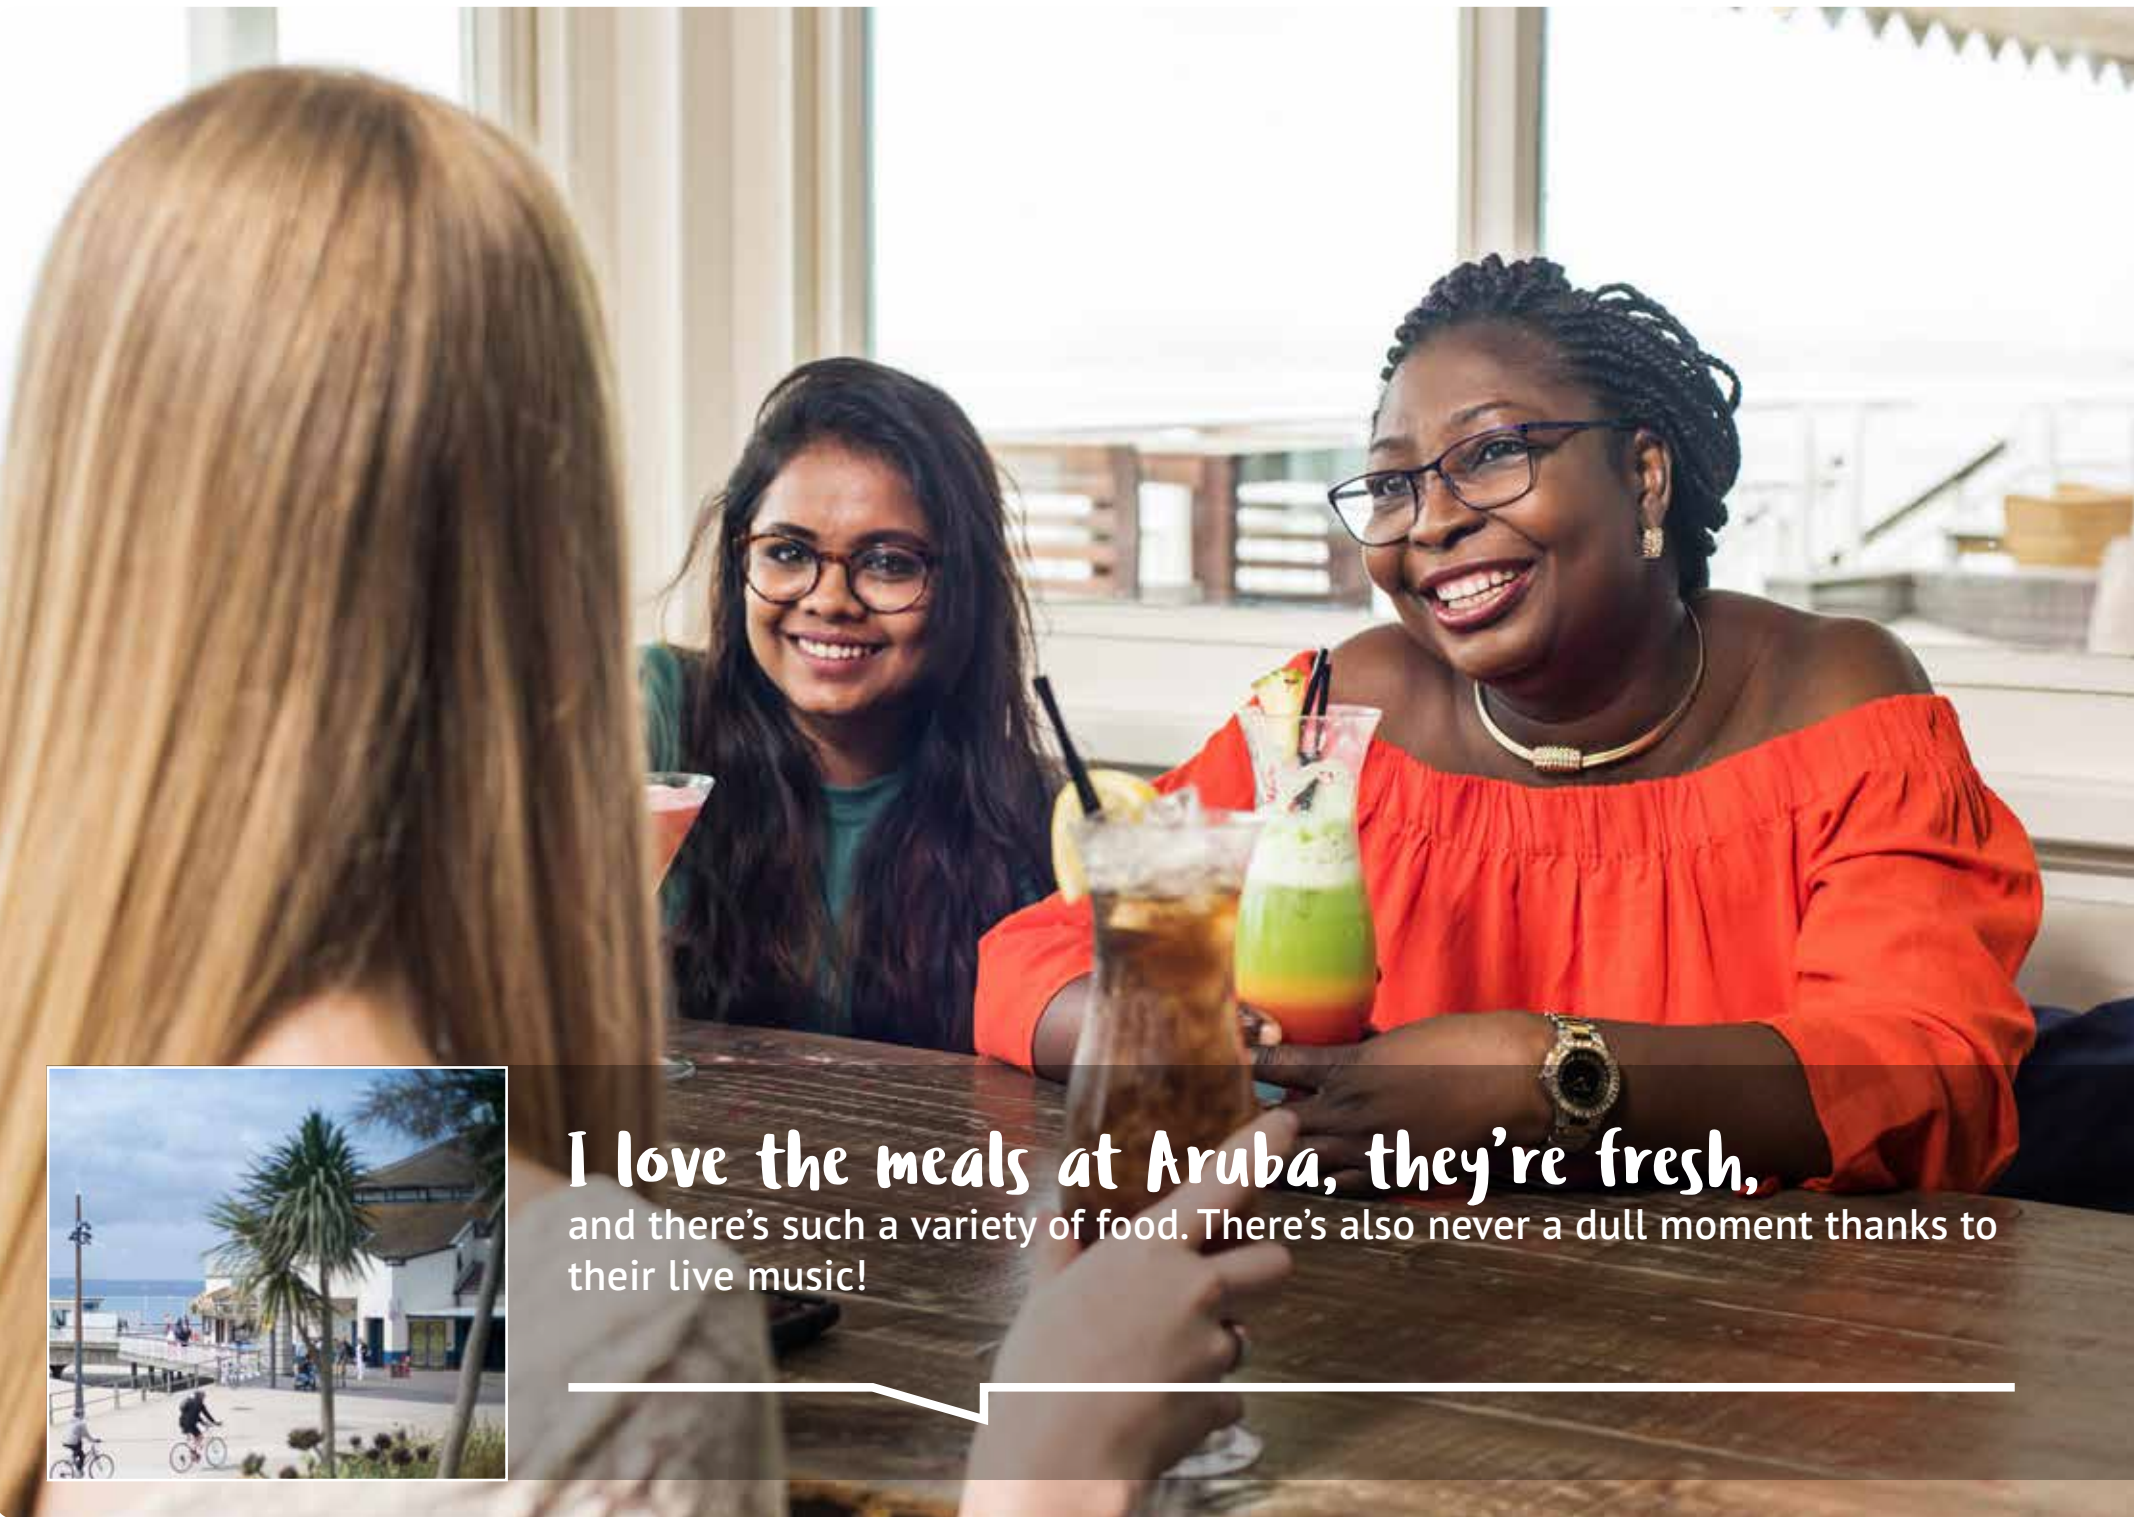

A pleasant collection of home meals
found at Nativ—yummy!

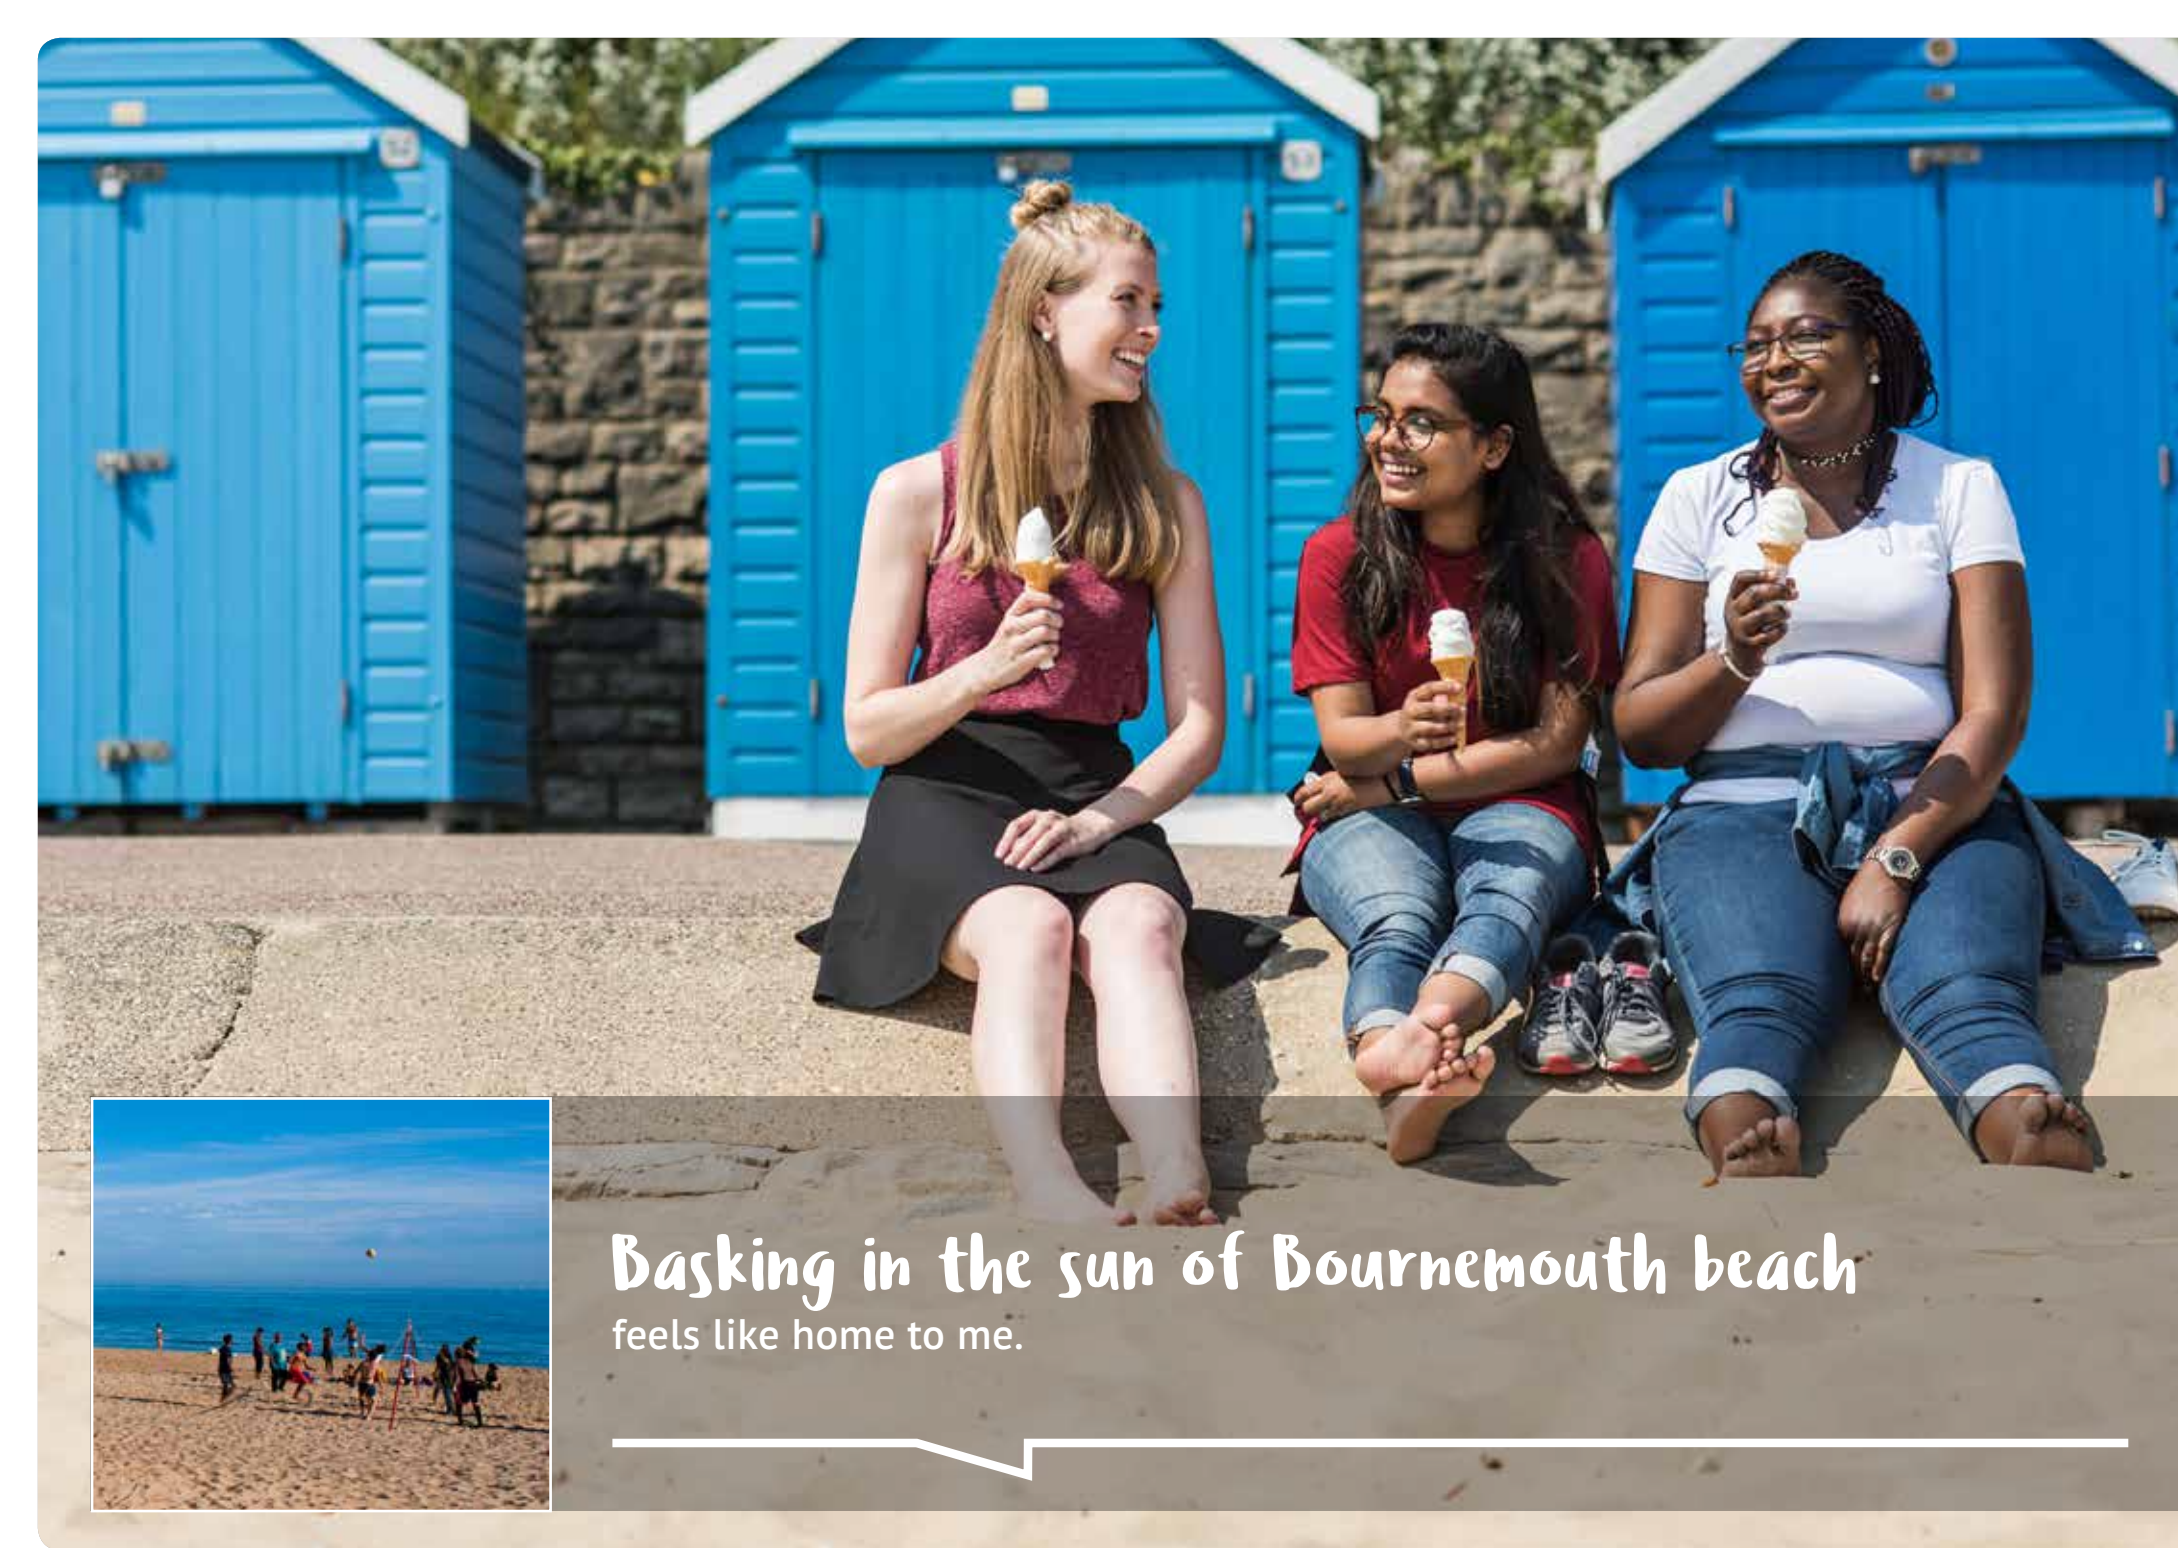

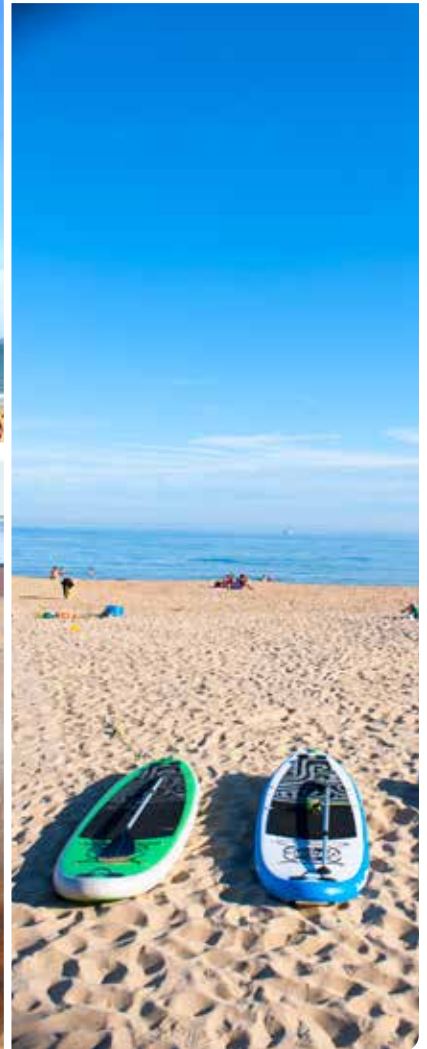

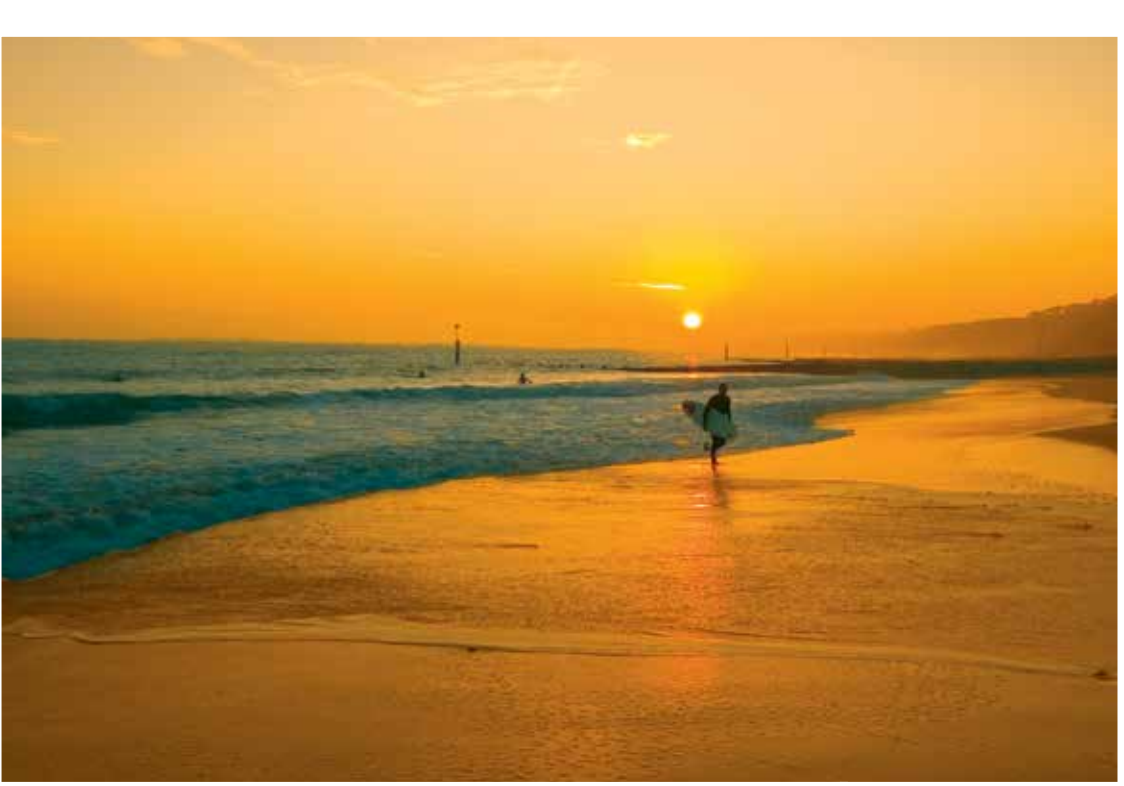

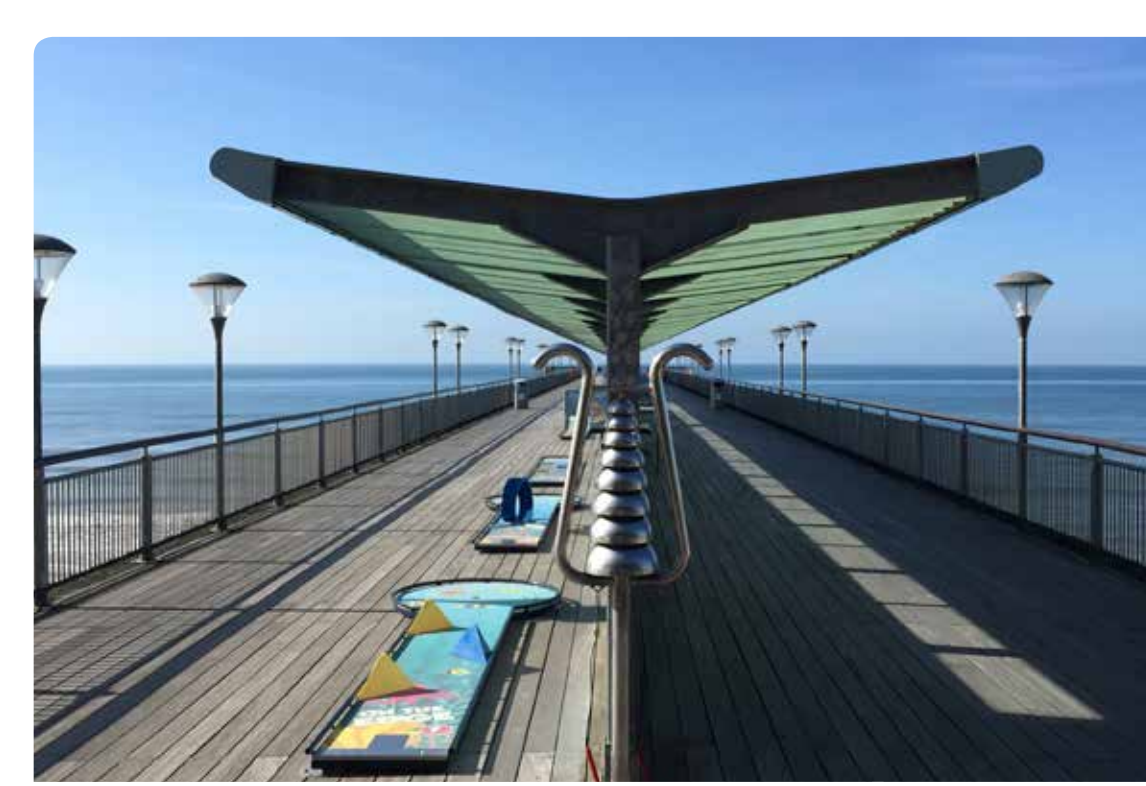

I love the meals at Aruba, they're fresh, and there's such a variety of food. There's also never a dull moment thanks to their live music!

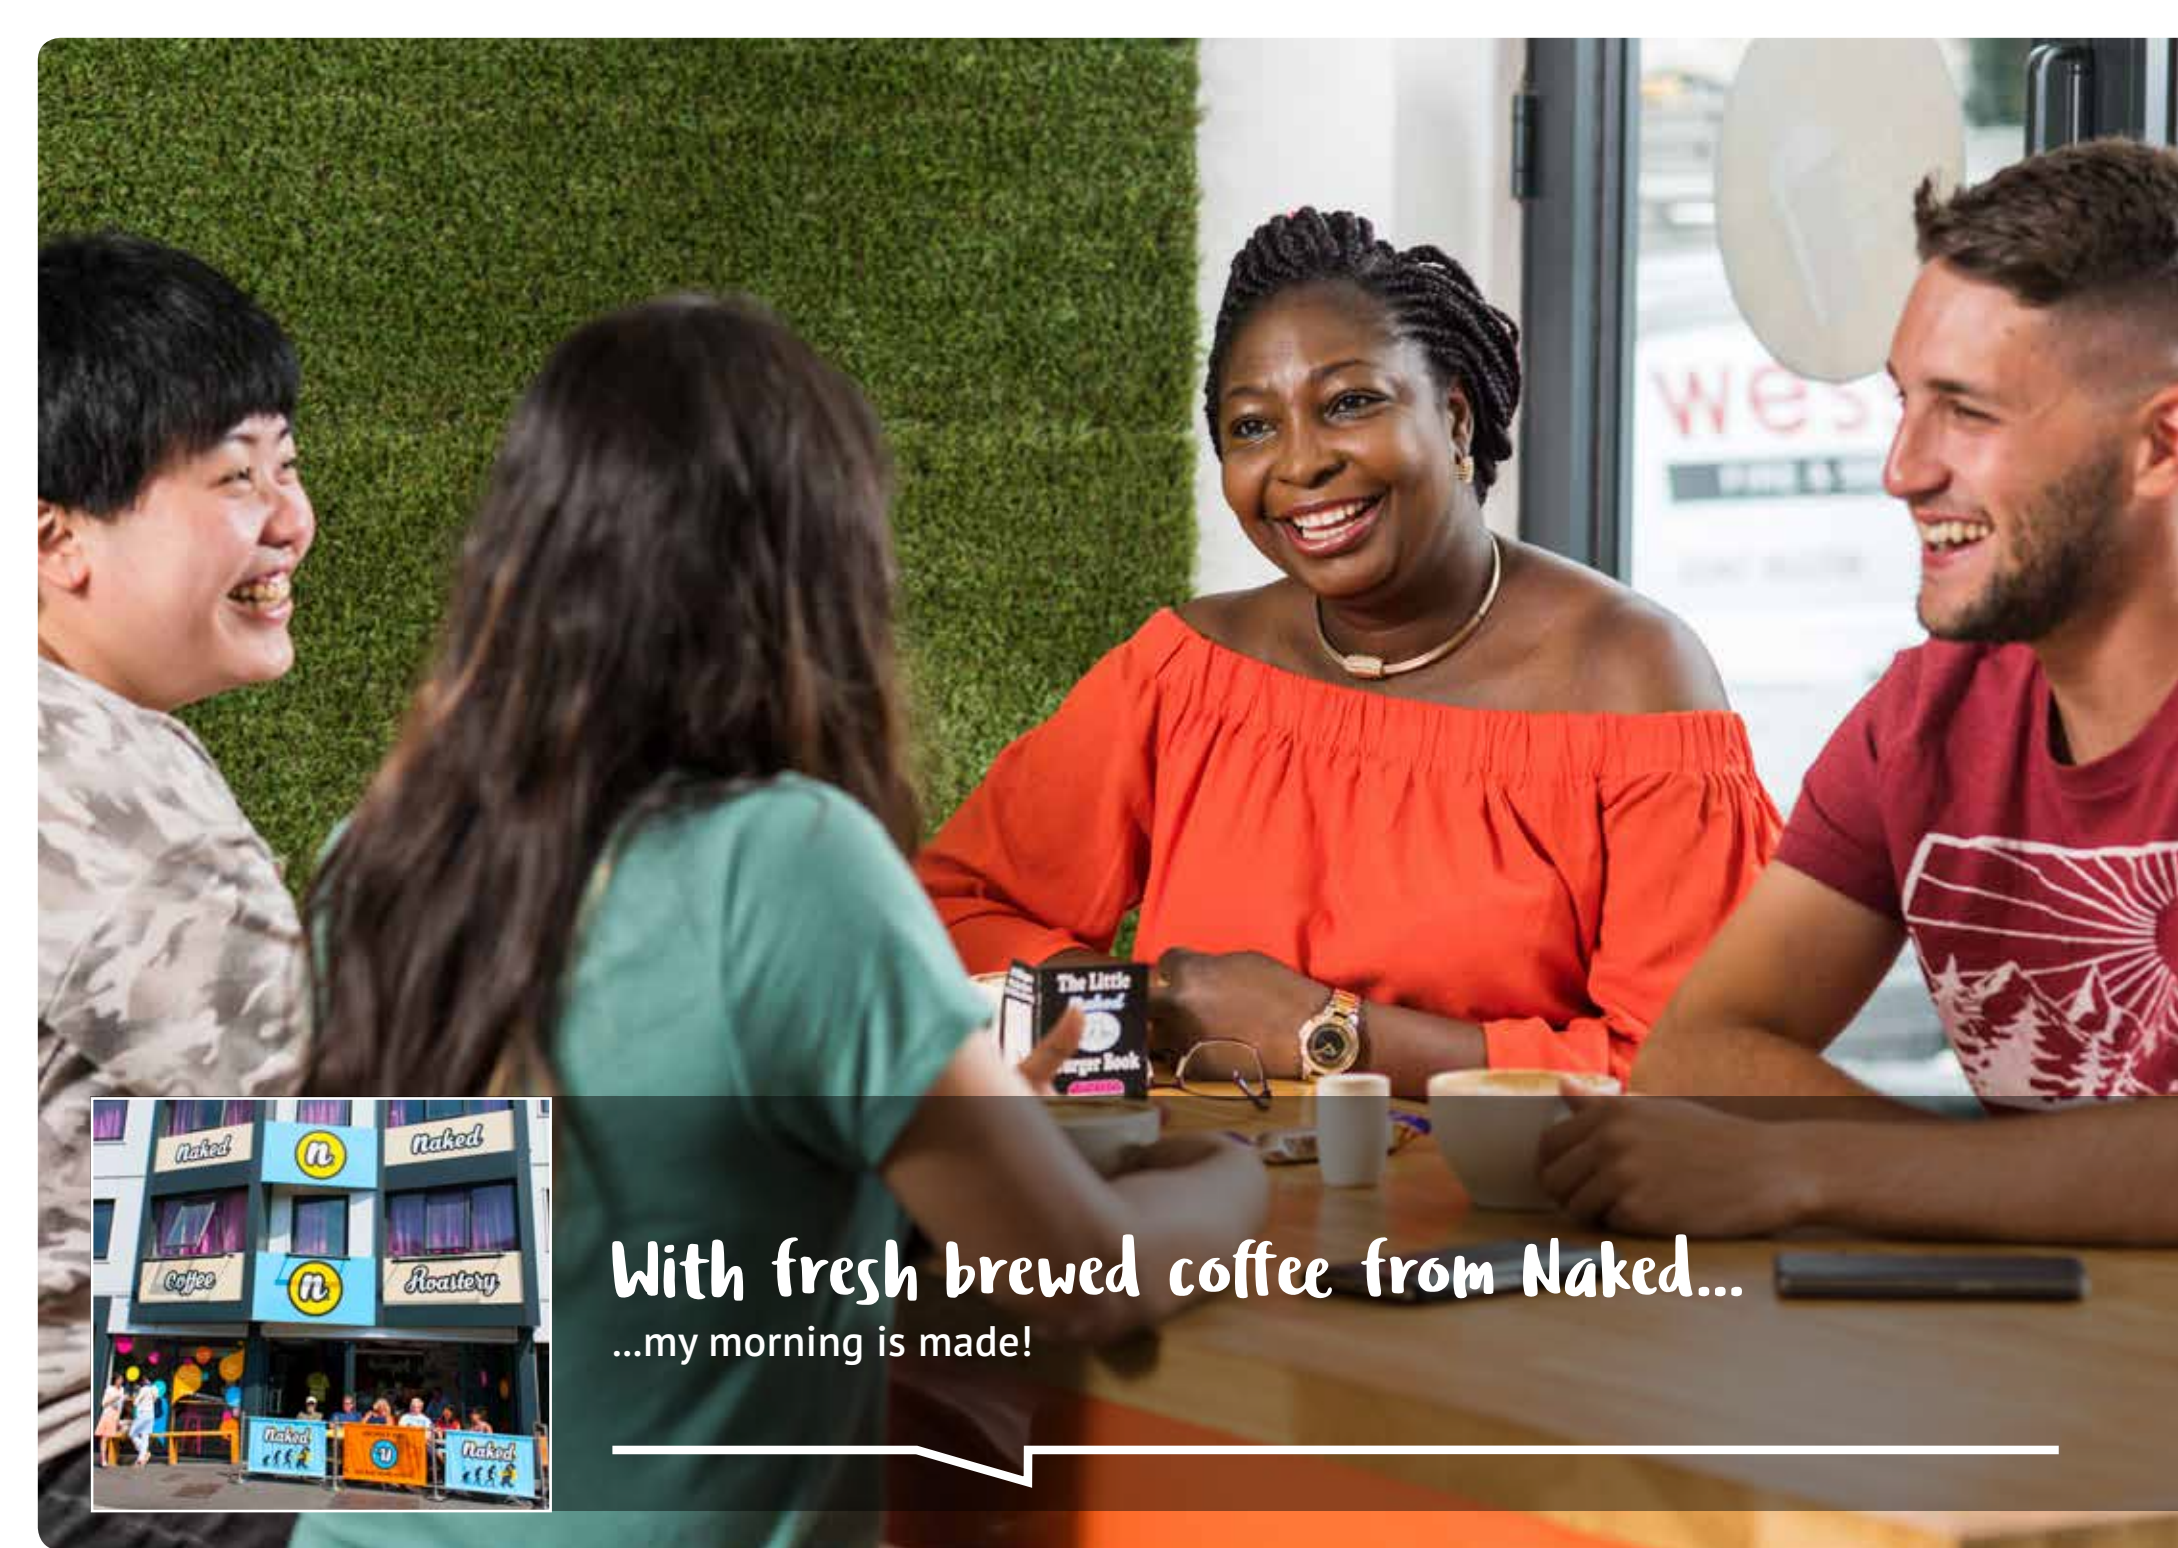

Basking in the sun of Bournemouth beach
feels like home to me.

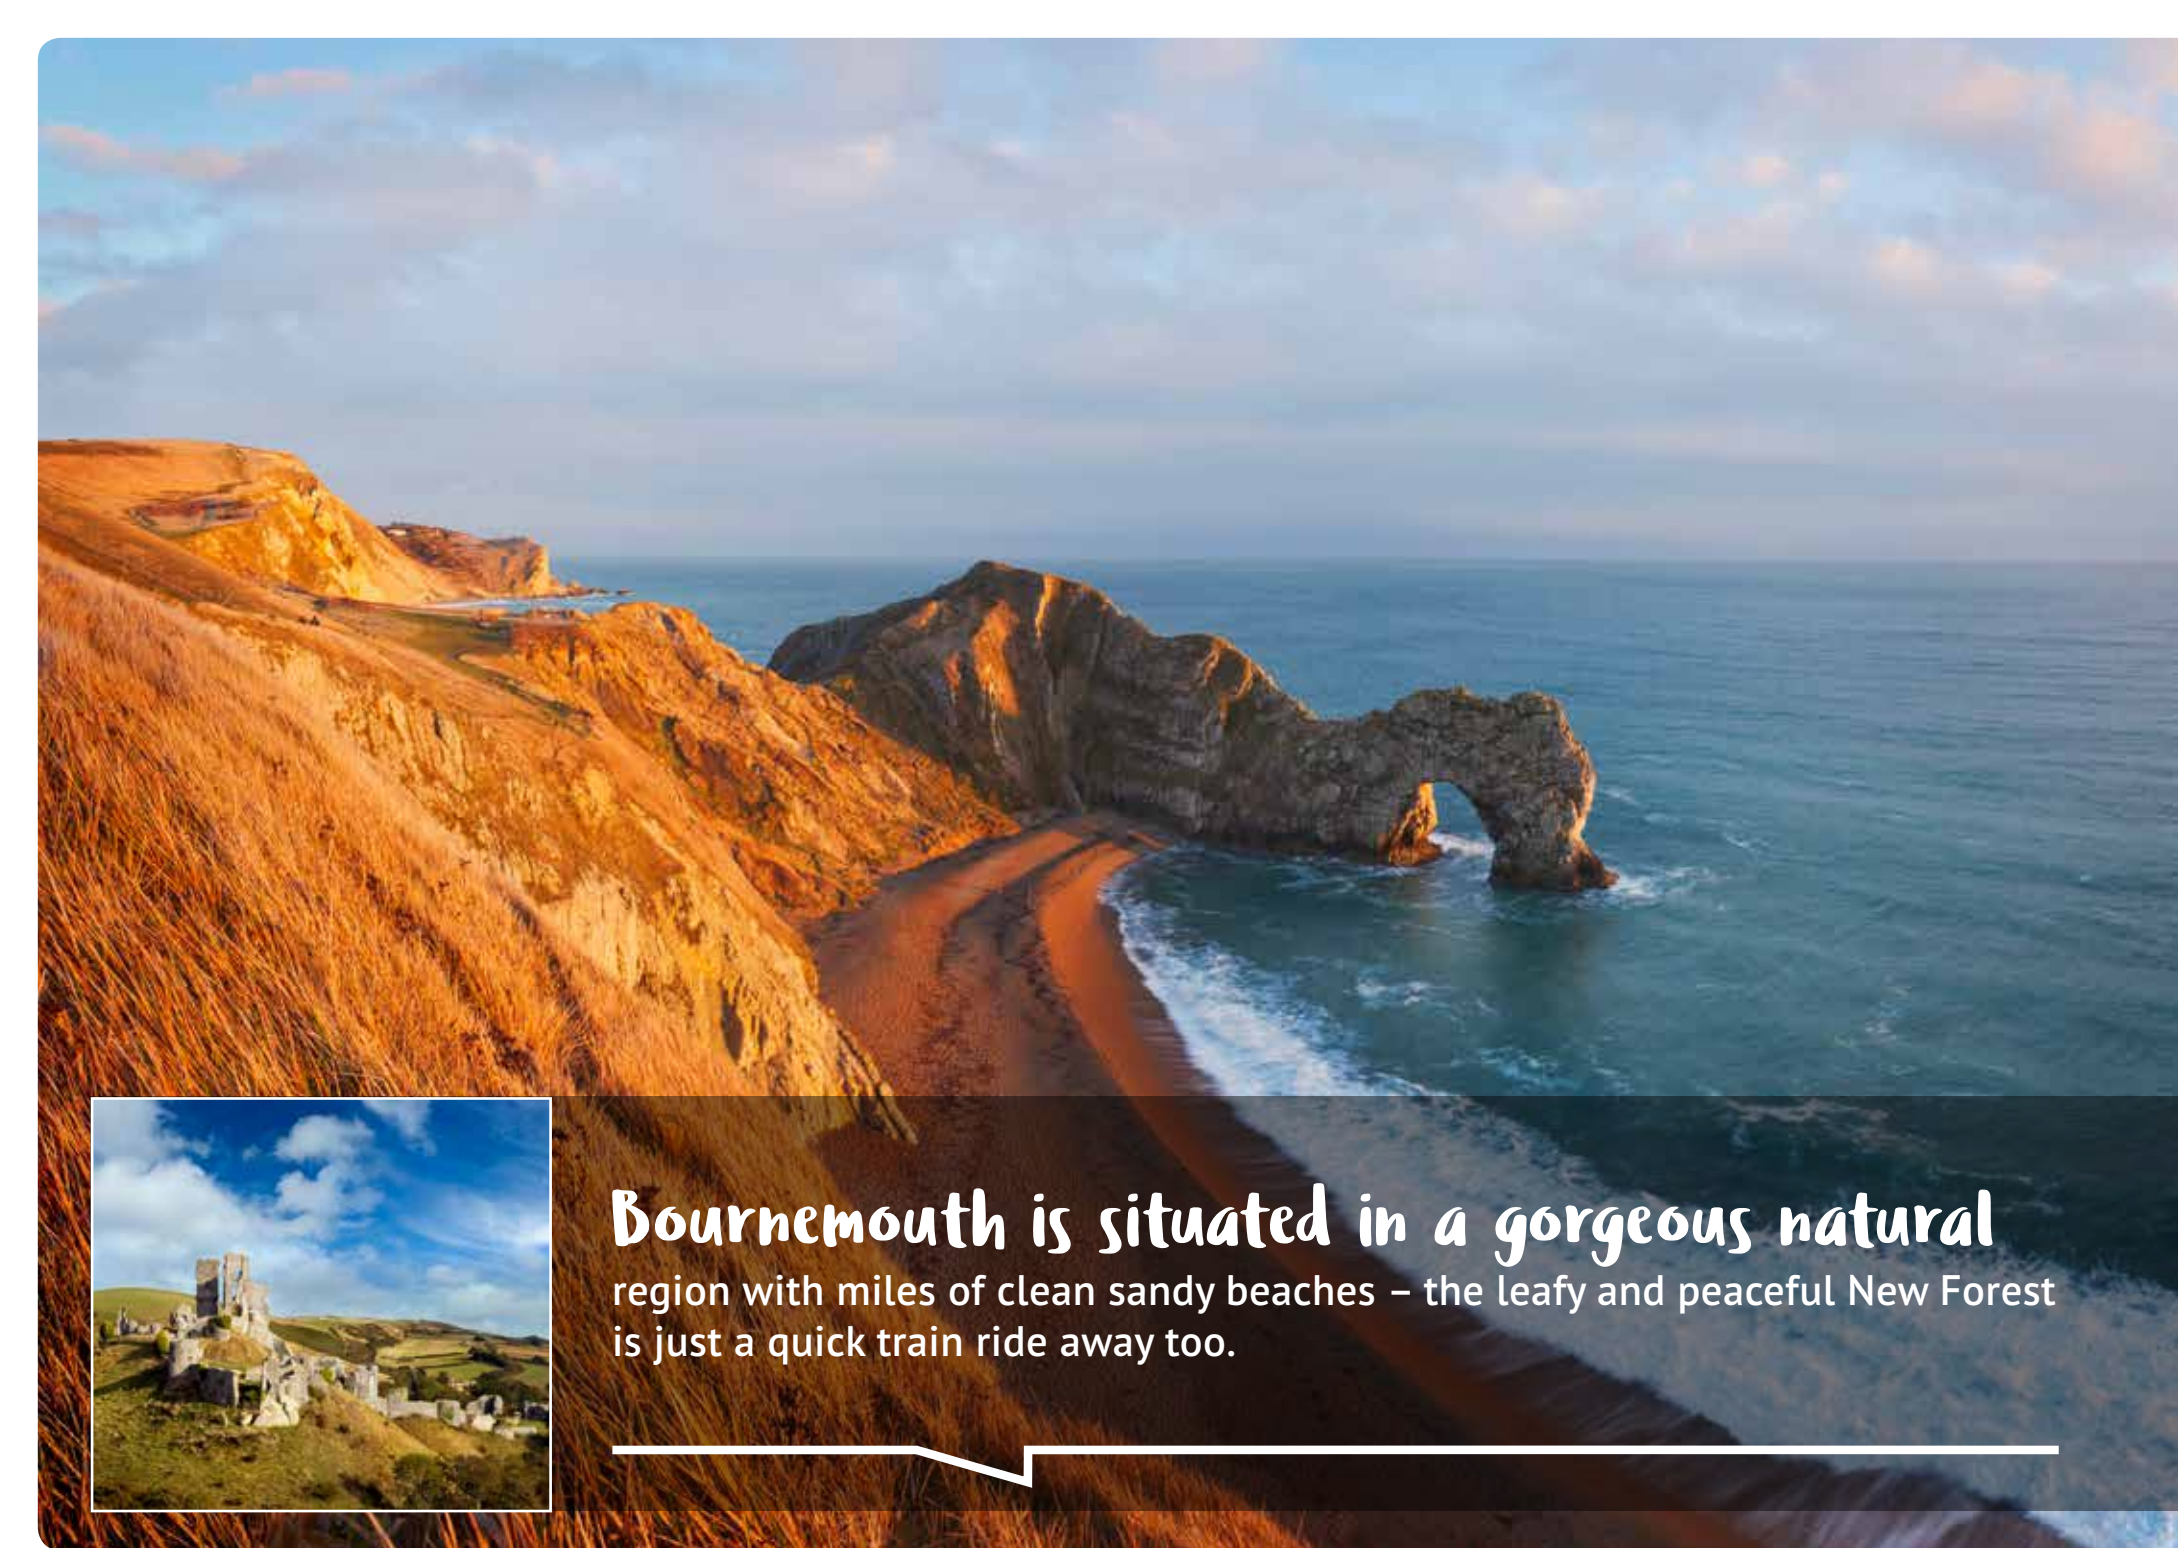

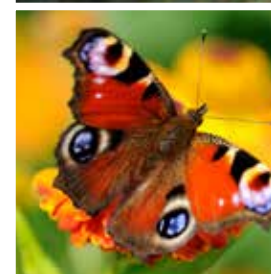

With fresh brewed coffee from Naked...
...my morning is made!

Bournemouth is situated in a gorgeous natural region with miles of clean sandy beaches – the leafy and peaceful New Forest is just a quick train ride away too.
