

Research Update

Department of Sport & Physical Activity

HIGHLIGHTS

WELCOME ...

To the first research update in the newly formed Department of Sport & Physical Activity. Research updates will be produced quarterly and highlight the research activities and achievements of staff in the Department.

NEW STAFF ...

A number of internationally renowned staff have joined the Department in 2015, further bolstering research activity within Sport & Physical Activity; we welcome: Dean Allen (Cape Peninsula); Erika Borkoles (Victoria University, Melbourne); Dan Lock (Griffith) Tim Rees (Exeter) & Michael Silk (Bath).

RESEARCH UPDATE ...

Provides a digest of staff research activity, highlighting accomplishments in, and the collective impact upon, the interdisciplinary fields of sport & physical activity. The global reach and impact of staff research is showcased in academic outputs, research income and external bidding, international conference and keynote presentations, and a number of other research accomplishments.

Professor Michael Silk & Dr Andrew Manley (Bath): Report policy outcomes to Suzhou Municipal Authority for Tourism. Met with Jiangsu Provincial Government to discuss 2nd phase of research funding (December, 2015).

EXCITING DEVELOPMENTS

We look forward to adding additional research active staff in January 2016 (interviews at the end of the month) and to welcoming a new Head of Department in the near future.

We anticipate staff research activity will be co-ordinated under the banner of a new BU Sport & Physical Activity Research Centre that will enhance our interdisciplinary research agenda ... watch this space!

Issue 2 of Research Update will be out in April 2016, covering research activity from January-March 2016.
