

Department of Sport & Physical Activity

Research Update

HIGHLIGHTS

WELCOME ...

To the Department of Sport & Physical Activity's Research Update. Research updates will be produced quarterly and highlight the research activities and achievements of staff in the Department. It provides a digest of staff research activity, highlighting accomplishments in, and the collective impact upon, the interdisciplinary fields of sport & physical activity. The global reach and impact of staff research is showcased in academic outputs, research income and external bidding, international conference and keynote presentations, and a number of other research accomplishments.

NEW STAFF ...

A number of internationally renowned staff have recently joined the Department. Welcome to Dr Nicola De Martini Ugolotti (from Bath), Dr Adi Adams (from Bath), & Dr Carli Stewart (from Cardiff Met). They are all great additions and aid us in building our research capacity / developing our portfolio.

BU SPARC ... Research Centre formed in April 2016!

The Sport & Physical Activity Research Centre (SPARC) is a new dynamic, exciting and stimulating environment for a range of activities, including high-quality research outputs, focussed and strategic research bidding, events including hosting conferences and a seminar series to encourage debate and discussion, for international research networking and collaboration, for the ongoing development of graduate students, and for funded research projects.
