WANT TO WORK FOR US?

SUBU employ a huge team of students to run the various parts of the Union. We are looking for staff to work in the nightclub on bars and on our event promotion, to work in the SUBU shop, the coffee bars and in Dylan's Kitchen & Bar. New for 2018 will be a group of students 'Team SUBU' who work more in other areas of the Union promoting SUBU activity and representation.

We value enthusiasm and a willingness to do the job well above all other things. We are a good employer with flexibility, structured pay linked to your training and a strong team ethos. Staff often make great friends and work all the way through their degree with us.

So if you fancy joining a fun team, working hard and earning some extra cash towards your living expenses there can be no better place to work than SUBU.
