10:30	Example of systematic review	B325	students
11:00	Coffee		
11:30	Formulating the research question	B325	
12:30pm	Lunch		
13:15pm	Interactive session – Research question	B224 (n=27) B325	VH EvT
14:30	coffee		
15:00	Search strategies - Electronic databases & BOOLEAN operators	Studland house computer room – S102	CD
16:00	Hands on session: Searching electronic data bases	Studland house computer room – S102	CD
17:00pm	End of day		

Day Two (15th February 2019)

Time	Activity		
09:00	Reference management and citing in your work	Studland house computer room – S102	CD
10:30	Coffee		
11:00	Designing a protocol	B321	VH
11:30	Interactive session – designing a protocol	B226 B321	VH EvT
13:00	Lunch		
13:30	Critical appraisal	B226	EVT
14:00	Interactive session	B226 B321	EVT VH
15:30	Data extraction	B226	VH
16:30pm	End of day		

Day Three (12th April 2019)

Time	Activity		
08:30am	Registration and Coffee		
09:00	Reflecting on the process so far – sharing of examples	EB202	EvT VH students
10:45	Coffee		
11:15	Bringing your data together – principles of evidence synthesis	EB202	EvT VH
12:30pm	Lunch		
13:15pm	Qualitative data synthesis Or Quantitative data synthesis	EBC202 EBC203	EvT SD VH
14:30	coffee		
15:00	Interactive session – data synthesis	EBC202 EBC203	EvT SD VH
16:30pm	Analytical writing	EB202	
17:00pm	End of day
